WHAT'S ON TV?

There's more than one way to see what's showing on TV.

Info Button

Press Info and you will see the name and a description of the current program at the top of the screen.

OK Button

Press OK to show the 'Now Playing' bar and you will see what program is currently playing.

Guide Button

This is the most comprehensive view of what's on. Go ahead and page through…
…you're bound to find something to watch.

Browse Button

Press Browse (right arrow) to show the channel you are currently tuned to at the top of the screen. At the bottom of the screen, the 'Info Bar' shows you the channel number, channel name, current date and time, program name, date and time the program airs, a progress bar, and the program that airs next.

＊If Available

Remote Set Up

Pair the TV to the Remote

1. Turn on the TV.
2. Point the remote at the TV and press and hold the TV key for 3 seconds until the TV LED blinks off and turns back on. Continue holding the TV key and press the number keys, one at a time, starting with 1, then 2, 3... 0. Stop pressing the number keys when the device turns off.
3. Release the TV key to save the code. The TV LED will blink twice to confirm the code is stored.

Programming the All Off Button

1. Press the STB button.
2. Press the ALL OFF button and the OK/SEL button simultaneously for 3 seconds. The STB button will turn on for 30 seconds.
3. Press the TV button and then the POWER button.
4. Press the 5 number key to save the ALL OFF commands. The STB button will blink twice to confirm the TV has been saved.
